

Hon'ble Local Government Minister Shri Navjot Singh Sidhu, reviewed the Smart City proposal of Ludhiana, Amritsar and Jalandhar city today (24<sup>th</sup> March, 2017). He expressed confidence that, if implemented properly they can transform these cities and the “quality of life” of citizens.

E-Governance project will take the Punjab Government to the doorsteps of people and has the potential to eliminate corruption. He directed the officials to expedite the implementation of the smart city proposals.
